Imagine a mooncake box that transcends its traditional purpose.

Designed with the idea of a timeless keepsake, its sleek and minimalist design is fit for all occasions. This round box, subtly adorned with the iconic Peony flower of Shangri-La, represents not just the Full Moon (月圓) but also the concept of Reunion (團圓) — a daily celebration of togetherness that underpins our curation. Made from a luxurious leatherette and available in Red and Gold, it's perfect for lavish gifting.

Crafted with versatility in mind, its four drawers, once home to mooncakes, now adeptly organize jewellery, cosmetics, watches, cufflinks, medications, or toys.

In the office, it becomes a chic repository for stationery. During festive times like Christmas and Chinese New Year, it transforms into a delightful snacks container or a stunning decorative display piece.
